Good Morning! Pastor Bob will finish preaching through Galatians today. His passage is Gal 6:11-18. Paul has a few things to say to his good friends before saying "Good-bye."

The first thing we notice in verse 11 is Paul telling them to look at the big letters he was using. Maybe letters like this!

PAUL

Paul wanted them to pay close attention to the things he was

writing about the gospel. Let's see if we can tell the gospel with pictures.

The Bible tells us that is what we need to believe to be saved.

But, there were other men teaching the Galatians that you had to do more to be saved. They were keeping Old Testament rules and law that were no longer required.

They had a lot of pride about people believing the way they did.

In Galatians 5:15 Paul wrote that the only thing that matters is to know that we are a

in Christ.

*(do you know what letter is missing in both words?)*

*Here's a verse your parents can help you memorize about being a New Creation!*

**“Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come.”**  
**2 Corinthians 5:17**

God make us new in Christ and everyday we become more like
